

Public Library Membership

The mission of the Mid-Hudson Children's Museum (MHCM) is to empower young children and their families. Public library memberships to the MHCM are good for one year, and include admission for two adults and all children under 18 living the same household. Library patrons may borrow the membership card to visit the museum during normal business hours.

The card may not be used as free admission when attending birthday parties or with group visits. No additional benefits or discounts are included beyond free admission for your library members.

To purchase a Public Library Membership, please complete the below application, and send it, with payment to the *Mid-Hudson Children's Museum at 75 North Water Street, Poughkeepsie, NY 12601*. **Please allow 2-3 weeks to process your application.** Thank you!
